Commitment

- OEC Program August through December
- S&T Training January-February
- BMSP reserves the right to place all who fully complete the OEC and S&T Training either their first year in an Auxiliary, Mountain Host or On-the-hill patroller position.
- Candidates who do not successfully pass both aspects of training are NOT guaranteed a position within the patrol.
- Initial cost to join estimated at \$350.00 for pack, supplies, dues, jacket, and other items.

On behalf of the entire BMSP we welcome your interest in the patrol and will contact each of you via email to confirm our interest in having you attend the mandatory ski off, the next step in the application process.

Your signature below acknowledges that you have read the application and understand the commitment and financial responsibilities of becoming a patroller. In addition, the patrol's determination of its need of candidates for next year must be approved by the Mountain Management and the patrol does not guarantee that by submitting an application implies or constitutes acceptance to the BMSP.
